A C K N O W L E D G M E N T S

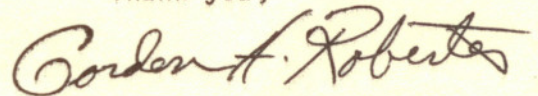

The Class of 1971 of Dearborn High School, is deeply indebted to the individuals who directly participated in the process of locating Classmates and in the preparations for the Ten Year Class Reunion.

Special appreciation is extended to Debbie Reaume Kolbe, Jill Pedler Kuznicki, Teri Huckabone Brackett, Jo Ann Rudnicki Siwik, Nancy Willingham Siwik and Taras Filas for their guidance.

Additional help was given by Debie Fox Bradley, Laura Van Faasen, Kathy Waun Eddy and Wendy Wilson Smith. Also, without Mrs. Pedler, who kept our class list for eight years, contacting Classmates would have taken twice as long.

Without the generous effort and time of these people this Class Reunion would not have been possible.

Thank you,

Gordon H. Roberts
Class President

Remember.....

D.H.S. Fight Song

Oh, when the Dearborn Pioneers fall in line,
We're going to win this game, for sure this time.
For D.H.S. I yell, I yell !
For the Orange and Black, I yell, I yell, I yell !

We're gonna fight, fight, fight, for every yard,
We're gonna smash and tear right through their guard.
We're gonna roll old Edsel on its side, on its side !
Rah ! Rah! Rah ! YEAH !!!!!

Dear Classmates:

On June 17, 1971, graduation day, a ten year reunion was something for the far distant future. Suddenly it's here and we are all probably asking ourselves where that time went.

Much time and effort has gone into locating all of our classmates and making this reunion a memorable event.

Unfortunately, there are a few of our classmates that we were unable to locate; and of those we did find, only a little over half returned their questionnaires in time to be included in this book.

Although we have made every effort to transfer the questionnaire data to this book correctly, we may have made occasional errors or omissions. For this, we are truly sorry, and hope you will remember that we are not professional publishers, but only individuals who volunteered their time and efforts to bring the Class of 1971 together. Names which appear without a summary listed, represent the way these individuals responded.

We hope that you have a pleasant evening of reminiscing and getting reacquainted with old friends.

Sincerely,

Class Reunion Committee

" When I left school my life long ambition was to become a school teacher. I immediately set out to pursue my ambition by enrolling in college. I received my BA in Education in 1975 (Elementary Certified, with an endorsement in pre-school) from the University of Michigan. Besides teaching, I have held various other jobs. One of which was an executive secretary for an engineering dept. As much as I really love teaching, I have recognized that the outlook for teachers is dismal. So, as an alternative, I've decided to go back for graduate studies in the area of psychology. Since psychology is my second love -- I would like to pursue a career as a Psychologist someday soon. Wish me luck! I'm looking forward to this 10 year reunion. "
