10 Year Class Reunion

September 18, 1982

Fairlane Club - Dearborn

\*\*\*\*\* INTRODUCTION \*\*\*\*\*

Reunions are always a cause for mixed feelings. Even the most enthusiastic among us approaches this event with guarded anticipation. Maybe these jitters stem from the memory of those very important years we spent together. Although our high school days are now a memory, and forgotten dreams, they will always include the good feelings of old friendships. The past decade has brought us through many changes, with new hopes on the horizon and new dreams fulfilled. We are different from the people who accepted their diplomas on June 15th of 1972 with nervous smiles, ambivalent feelings and a sigh of relief. Yet, we share the bond of having survived those difficult years together; and, that alone ties us to each other.

We hope this evening will be another special memory we can share; and, yet, be another significant tie between us.

# Seniors' count down days; grand finale draws near!

"...Winter, spring, summer or fall, all you've got to do is call..."

And as the 1971-72 school year quickly comes to a close, the seniors will call an exciting and memorable end to their high school days.

First on the agenda is the Senior

Prom to be held Saturday, June 3. The girls in their long dresses and the guys in their tuxedos will have the pleasure of dancing to the Austin-Moro ten-piece band at Lovett Hall in Greenfield Village.

"Stairway to Heaven" is the theme chosen for the Prom and "You've Got A Friend" is the class song, intertwined with blue and green, the class colors.

The Prom will begin at 9 and last till midnight. Corsages and boutonnieres are appropriate. Tickets will go on sale Monday for \$5 a couple.

This year's Senior Trip features camping at Grand Bend, Canada! Dates are June 9-14.

Since the trip is not sponsored by DHS, seniors must have their own transportation.

Last is the Senior Party following Commencement, June 15. The party will be held in the DHS cafeteria from 9 p.m. till 2 a.m.

With "Crossroads" as the theme, seniors will share their last get-together with the continuous music of The Woolies, The Sunday Funnies and the Guardian Angels.

A buffet will be served and for those who would like a remembrance, a photographer will be on hand.

Tickets will go on sale May 23 for \$5 apiece.

As one senior put it, "We've had a great three years, but this ending should top them all!"

And as the class song goes, "I'll be there 'cause you've got a friend..."

### DHS class of '72 scatters come fall

Today finally ends 13 years of hard but rewarding work for seniors. With the beginning of school next fall, the DHS Class of '72 will scatter to different "crossroads," finding new experiences and richer challenges.

## Variety is their spice Traveling lures non-college bound seniors

I'm looking ahead  
full of curiosity,  
waiting to take  
the world.  
Security of teachers  
and classes  
and high school  
is past.  
Funny how thirteen years  
just passes by  
with a faint,  
flickering memory.  
All those funny,  
embarrassing,  
heart-breaking  
moments are gone.  
You see,  
I'm a graduate  
with a tear in my eye  
and a smile on my lips.
